

**WEBB COUNTY-CITY OF LAREDO REGIONAL MOBILITY AUTHORITY  
PROCUREMENT OF GEC SERVICES**

**Response to Questions Received Pursuant to RFQ Section VII**

- 1. Does Section 6.1.7 apply only to the Prime Consultant, or does it apply to all subconsultants?**

The information required under Section 6.1.7 (Disputes) applies only to the entities comprising the major equity members of the Proposer.

- 2. Is a Prime Consultant prohibited from providing traffic and revenue services under the GEC services contract?**

A Prime Consultant is not necessarily prohibited from providing traffic and revenue services under the GEC contract (if requested to do so) but it is not anticipated that the Proposer selected as the GEC will perform such services. It is likely that traffic and revenue services will be procured independently.

- 3. Is there a percentage utilization set under Section 6.3.5 for HUB/DBE participation?**

No.
