

International Boulevard Extension

Project Location:

New location extension of International Boulevard from United Avenue to the proposed North-South Boulevard.

Project Description:

This project is approximately 1.9 miles of new roadway that includes a continuous 120' wide right-of-way. This will be a five-lane roadway that will link the San Isidro Northeast area with Vallecillo Road on the east side of IH-35. The project will have sidewalks on both sides.

Recommended Timeframe:

Mid-Term 2025-2029

Opinion of Probable Cost (FY19):

\$15,889,000

Possible Project Schedule:

Initiation	2022
Planning	2024
Development	2025
Construction	2027

Potential Project Benefits:

This road plays a key role in establishing a well-connected street grid on the east side of IH-35 and opens the area for residential development.

Individual Project Component Costs:

A) North Extension	\$15,889,000
