

Documentation of Public Meeting

Project Location

Webb County

Vallecillo Road

CSJ: 0922-33-205

Project Limits

From FM 1472 (Mines Road) to IH 35 Southbound Frontage Road

Meeting Date, Time and Location

In-person Meeting

Thursday, September 26, 2024 from 5:00 to 7:00 p.m. at Barbara Fasken Recreation Center, located at 15201 Cerralvo Drive, Laredo, TX 78045

Virtual Meeting Options

Thursday, September 26, 2024 at 5:00 p.m. and online for at least 15 days. There are two websites to access the virtual public meeting:

- A. www.txdot.gov, keyword search "Vallecillo Road"
- B. www.webblaredorma.org, click the 'Roadway Projects' menu item and select 'Vallecillo Road' from the drop-down menu.

Translation Services

Spanish-speaking staff were present and available to guests. Staff was posted at each exhibit station and floating throughout the event to relay information and answer questions.

Presenters

There was no live presentation given during the meetings. Staff was posted at each exhibit station and floating throughout the venue to relay information and answer questions.

Elected Officials in Attendance

The Honorable Ricky Jaime, Webb County Commissioner, Pct. 4

The Honorable Vanessa Perez, City Council Member, District 7

The Honorable Melissa Cigarroa, City Council Member, District 3

Total Number of Attendees (approx.)

- In-Person: 43
- Virtual on-line sessions for Vallecillo Road (RMA website): 130 sessions
- Virtual on-line video views TxDOT YouTube Pre-recorded video presentation (English/Spanish): 149 views

Total Number of Commenters

Introduction and Project Update

The Vallecillo Road Virtual Public Meeting with In-Person Option was held on September 26, 2024. Since then, the Laredo Office of the Texas Department of Transportation (TxDOT Laredo) has made significant progress on the design of the Vallecillo Interchange at IH35, an overpass that connects to Vallecillo Road and provides travelers safe connection to the Interstate Highway. TxDOT Laredo notified the Webb County-City of Laredo Regional Mobility Authority (WC-CL RMA) of the improved interchange design which has necessitated modifications to the roadway design and right of way required to construct the best, most efficient connection of the two infrastructure projects.

The updated combined right of way amounts as of January 2025, is now approximately 70 acres, a decrease of about 5 acres. The roadway project timeline has shifted to accommodate the additional design and environmental clearance work. The anticipated construction completion is now expected to be in 2029.

The WC-CL RMA and TxDOT Laredo will continue to collaborate on this important infrastructure enhancement in northwest Laredo, Webb County.

Comment Number	Commenter Name	Date Received	Source	Comment Topic	Check Box Indication/Comment Topic	Response
1	Vanessa Perez	9/25/2024	Virtual Comment Card via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	Thank you for your comment.
				General Comments:	We need this road asap!	
2	Ethel Perez	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	
				General Comments:	N/A	
3	Angela Solis	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	
				General Comments:	N/A	
4	Nancy Gonzalez	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	Thank you for your comment.
				General Comments:	Any project that benefits the Mines Road area I will support, above all, the Green Ranch area sinceWe have many shortcomings and needs.	
5	Jackson Hurst	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I could benefit monetarily from the project or other item about which I am commenting, I support the proposed project.	Thank you for your comment.
				General Comments:	I approve and support TxDOT's/Webb County-City of Laredo Regional Mobility Authority's Vallecillo Road from FM 1472 (Mines Road) to IH 35 Southbound Frontage Road Project. The aspect that I love about TxDOT's/Webb County- City of Laredo Regional Mobility Authority's Vallecillo Road from FM 1472 (Mines Road) to IH 35 Southbound Frontage Road Project is that the new road will improve safety, reduce congestion, and improve freight mobility.	
6	Karina Villalba	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	Thank you for your comment.
				General Comments:	This road is a much needed solution to help alleviate some of the heavy traffic that gets caught between the neighborhoods Northwest of the Loop 20 and Mines Rd. This road would encourage the tractor trailers heading to Mexico or heading towards the highways to use that road for quicker access to their destinations and ease traffic for all of the people that live in this area! I support this much needed project.	
7	Thalia Rodriguez	9/26/2024	Virtual CommentCard via email	Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:	I support the proposed project	Thank you for your comment.
				General Comments:	Love this idea. We desperately need it! Would love to see that no semi trucks would be able to use it. We are overfilled with trucks everywhere. First responders, emt's, any type of emergency we can't handle because the traffic is stalled at every turn. Make this semi truck free!!!! One or the other. Either this is for semi truck to avoid the mines area roads or push them the same route they have been taking already. Straight mines. We need roads for us not semi trucks anymore!!! Want to thank you for also pushing semi truck traffic to loop 20. It's made such a huge difference

Notice of a Virtual Public Meeting with In-Person Option

Notice Virtual Public Meeting with In-Person Option

VALLECILLO ROAD
From FM 1472 (Mines Road) to IH 35 Southbound Frontage Road
CSJ: 0922-33-205
Webb County, Texas

The Webb County-City of Laredo Regional Mobility Authority (WC-CL RMA) in cooperation with the Texas Department of Transportation (TxDOT) are proposing to construct the Vallecillo Road project from FM 1472 (Mines Road) to the IH 35 Southbound Frontage Road (SBFR) within the City of Laredo city limits in Webb County, Texas. This notice advises the public that the WC-CL RMA in cooperation with TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, September 26, 2024 at 5:00 p.m. and will remain online for at least 15 days.** There are two locations to access the virtual public meeting, please visit www.txdot.gov, keyword search "Vallecillo Road" or visit www.webblaredorma.org at the date and time indicated above. Once on the WC-CL RMA website, click the 'Roadway Projects' menu item and select 'Vallecillo Road' from the drop-down menu. If you do not have internet access, you may call 956.477.0707 between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, the WC-CL RMA and TxDOT are providing an in-person option for individuals who would like to participate in-person instead of online. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of WC-CL RMA consultants and TxDOT staff, and leave written comments. **The in-person option will be held on Thursday, September 26, 2024 from 5:00 to 7:00 p.m. at Barbara Fasken Recreation Center, located at 15201 Cerralvo Drive, Laredo, TX 78045.**

The Vallecillo Road project is a new location east-west roadway situated about a mile and a half north of IH 69 West and aligned with A.F. Muller Boulevard, directly connecting FM 1472 (Mines Road) with IH 35. Plans call for a 150-foot-wide right-of-way for a total of 74.46 acres of new right-of way. The project would be approximately 2.85 miles in length and consist of four (4) travel lanes, two (2) in each direction, and will have a raised concrete median in the center. Plans also include sidewalks and a shared use path for pedestrians and cyclists.

The proposed project would, subject to final design considerations, require additional right of way and potentially displace **no** residences and one (1) commercial structure. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the WC-CL RMA by calling 956.477.0707.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the WC-CL RMA's contract representative, LJA Engineering, located at 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. You may contact Baltazar Avila, P.E., Project Manager, and other staff at 956.477.0707. Project materials are also available online at www.txdot.gov AND www.webblaredorma.org. These materials will also be available in hard copy form for review at the in-person public meeting.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special

arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Blasita J. Lopez, Public Involvement task lead for the WC-CL RMA, at 210.630.6431 no later than 4 p.m. CT, Friday, September 20, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the WC-CL RMA to arrange.

El Proyecto Vial Vallecillo reunión virtual publica con opción presencial se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en Proyecto Vial Vallecillo reunión virtual publica con opción presencial, por favor póngase en contacto con Blasita J. Lopez, representante de relaciones comunitarias de parte del WC-CL RMA, al número 210.630.6431 a más tardar a las 4:00 p.m. hora central, el 20 de septiembre, 2024. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que WC-CL RMA los organice.

Written comments from the public regarding the proposed project are requested and may be submitted in any language by mail to Baltazar Avila, P.E., the WC-CL RMA's contract representative, LJA Engineering, located at 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. Written comments may also be submitted by email to vallecilloroad@lja.com or online at www.webblaredorma.org through a digital comment form. All comments must be received on or before Friday, October 11, 2024. Responses to comments received will be available online at www.txdot.gov or www.webblaredorma.org once they have been prepared.

If you have any general questions regarding the proposed project or virtual meeting or in-person option, please contact Blasita J. Lopez, Public Involvement task lead for the WC-CL RMA at 210.630.6431 or via email at blopez@lja.com.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Aviso Reunión Pública Virtual con Opción Presencial

Aviso Reunión Pública Virtual con Opción Presencial

CAMINO VALLECILLO

Desde FM 1472 (Mines Road) hasta la Carretera de acceso en dirección sur de la IH 35

CSJ: 0922-33-205

Condado de Webb, Texas

La Autoridad Regional de Movilidad del condado de Webb-Ciudad de Laredo (RMA de WC-CL, por sus siglas en inglés) en cooperación con el Departamento de Transporte de Texas (TxDOT, por sus siglas en inglés) está proponiendo construir el proyecto Camino Vallecillo desde FM 1472 (Mines Road) hasta la carretera de acceso en dirección sur de IH 35 dentro de los límites de la ciudad de Laredo en el condado de Webb, Texas. Este aviso informa al público que el RMA de WC-CL y TxDOT llevará a cabo una reunión pública virtual sobre el proyecto propuesto con una opción presencial.

La reunión virtual consistirá en una presentación de vídeo pregrabada que incluirá componentes audiovisuales. La presentación se publicará en línea el jueves, 26 de septiembre a las 5:00 p.m. y permanecerá en línea a lo menos 15 días. Para ver la reunión pública virtual, visite www.txdot.gov, y escribe en la barra de búsqueda "Vallecillo Road" o en el sitio de web del RMA, www.webblaredorma.org, en la fecha y hora indicadas anteriormente. En el sitio de web de RMA, haga clic en el elemento de menú "Proyectos de carreteras" y seleccione "Vallecillo Road" en el menú desplegable. Si no dispone de acceso a Internet, puede llamar al 956.477.0707 dentro del horario de 8:00 a.m. a 5:00 p.m., de lunes a viernes, para hacer preguntas y acceder a los materiales del proyecto durante el proceso de su desarrollo.

Además, el RMA de WC-CL y TxDOT están ofreciendo una opción presencial para las personas que prefieran participar en persona en lugar de en línea. La opción presencial se realizará en formato de reunión abierta al público. Los asistentes presenciales podrán ver la misma presentación que se dará en la reunión pública virtual y en una pantalla, podrán revisar copias impresas de los materiales del proyecto, hacer preguntas al personal de RMA de WC-CL y/o a los consultores, y dejar comentarios por escrito. **La opción presencial tendrá lugar el jueves 26 de septiembre de 2024, de las 5 p.m. a 7 p.m. en el Centro de Recreación Barbara Fasken, ubicado en 15201 Cerralvo Drive, Laredo, TX 78045.**

El proyecto Camino Vallecillo es una nueva este a oeste carretera ubicada aproximadamente una milla y media al norte de IH 69 oeste y alineada con A.F. Muller Boulevard, conectando directamente el camino FM 1472 (Mines Road) con la carretera IH 35. El proyecto requiere un derecho de vía de 150 pies de ancho para un total de 74.46 acres de nuevo derecho de vía. El proyecto tendría aproximadamente 2.85 millas de largo y constaría de cuatro (4) carriles de circulación, dos (2) en cada dirección con un camellón central. El diseño también incluye banquetas y un camino de uso compartido para peatones y ciclistas.

El proyecto propuesto, sujeto a consideraciones del diseño final, requiere derecho de vía adicional. Potencialmente no desplazaría ninguna residencia, pero desplazara una (1) estructura comercial. La información sobre los servicios y beneficios disponibles para los propietarios afectados y la información sobre el calendario tentativo para la adquisición de derechos de vía y la construcción se pueden obtener del RMA de WC-CL llamando al 956.477.0707.

Cualquier documentación o estudios del medio ambiente, los mapas y los dibujos que muestran la ubicación y el diseño del proyecto, el calendario tentativo de construcción y otra información sobre el proyecto propuesto están archivados y disponibles para su inspección de lunes a viernes entre las 8 a.m. y las 5 p.m. con el Ing. Baltazar Avila, representante de contratos de RMA de WC-CL, LJA Engineering, ubicado en 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. Puede comunicarse con Ing. Baltazar Avila, el gerente del proyecto al 956.477.0707. Los materiales del proyecto también están disponibles en línea en www.txdot.gov o en www.webblaredorma.org. Estos materiales también estarán disponibles en forma impresa para su revisión en la junta presencial abierta al público.

El Camino Vallecillo reunión virtual publica con opción presencial se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en Proyecto Vial Vallecillo reunión virtual publica con opción presencial, por favor póngase en contacto con Blasita J. Lopez, representante de relaciones comunitarias de parte de RMA de WC-CL, al número 210.630.6431 a más tardar a las 4:00 p.m. hora central, el 20 de septiembre, 2024. Se les informa, por favor, que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que el RMA de WC-CL los organice.

Se solicitan comentarios escritos del público sobre el proyecto propuesto y pueden enviarse en cualquier idioma por correo al Ing. Baltazar Avila, representante de RMA de WC-CL, ubicada en 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. Los comentarios por escrito también pueden enviarse por correo electrónico a vallecilloroad@lja.com o en línea en www.txdot.gov o en www.webblaredorma.org a través de un formulario de comentarios digital. Todos los comentarios deben recibirse el viernes 11 de octubre de 2024 o antes. Las respuestas a los comentarios recibidos estarán disponibles en línea en www.webblaredorma.org una vez que se hayan preparado.

Si tiene alguna pregunta general sobre el proyecto propuesto o sobre la reunión virtual o la opción presencial, por favor póngase en contacto con Blasita J. Lopez, asuntos comunitarios de RMA de WC-CL en el 210.630.6431 o blopez@lja.com.

La revisión ambiental, la consulta y otras acciones requeridas por las leyes ambientales federales aplicables a este proyecto están siendo, o han sido, llevadas a cabo por TxDOT de conformidad con 23 U.S.C. 327 y un Memorando de Entendimiento fechado el 9 de diciembre de 2019, y ejecutado por FHWA y TxDOT.

Good afternoon esteemed Members of the Board, WC-CL RMA,

I hope this email finds you well. You are invited to attend the Vallecillo Road Public Meeting scheduled for Thursday, September 26, 2024 from 5:00 – 7:00 p.m. at the Barbara Fasken Recreation Center, located at 15201 Cerralvo Drive, Laredo, TX 78045. If you cannot make it to the in-person event, there is also a virtual meeting that will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, September 26, 2024 at 5:00 p.m. and will remain online for at least 15 days.

More details are in the attached notice.

Please let me know if you have any questions.

With appreciation,
Blasita

Good morning,

This message is on behalf of the Webb County-City of Laredo Regional Mobility Authority, (RMA), to notify you of the subsequent Virtual Public Meeting with In Person Option on the Vallecillo Road project to be hosted in cooperation with the Texas Department of Transportation (TxDOT) Laredo District.

An in-person public meeting is scheduled on **Thursday, September 26, 2024, from 5:00 to 7:00 p.m. at Barbara Fasken Recreation Center, located at 15201 Cerralvo Drive**, to engage with stakeholders and any interested community members regarding the proposed project and to receive feedback. It also offers an opportunity for the project team to address any questions or concerns from the public.

The same content that is available in person will also be available online. Please see the attached notice letter or visit the link for more information.

<https://www.txdot.gov/projects/hearings-meetings/laredo/2024/vallecillo-road-from-fm1472-092624.html>

I am available to answer any questions you may have regarding the public meeting event and can put you in contact with project team members should you have any immediate inquiries.

With appreciation,
Blasita

Good morning,

This message is on behalf of the Webb County-City of Laredo Regional Mobility Authority, (RMA), to notify you of the subsequent Virtual Public Meeting with In Person Option on the Vallecillo Road project to be hosted in cooperation with the Texas Department of Transportation (TxDOT) Laredo District.

An in-person public meeting is scheduled on **Thursday, September 26, 2024, from 5:00 to 7:00 p.m. at Barbara Fasken Recreation Center, located at 15201 Cerralvo Drive**, to engage with stakeholders and any interested community members regarding the proposed project and to receive feedback. It also offers an opportunity for the project team to address any questions or concerns from the public.

The same content that is available in person will also be available online. Please see the attached notice letter or visit the link for more information.

<https://www.txdot.gov/projects/hearings-meetings/laredo/2024/vallecillo-road-from-fm1472-092624.html>

I am available to answer any questions you may have regarding the public meeting event and can put you in contact with project team members should you have any immediate inquiries on the proposed roadway.

With appreciation,
Blasita

Virtual Public Meeting with In-person Option Reunión virtual pública con opción presencial

The Webb County-City of Laredo Regional Mobility Authority (WC-CL RMA) in cooperation with the Texas Department of Transportation (TxDOT) invites you to a Virtual Public Meeting with an In-Person option. The purpose of this Public Meeting is to present the proposed project design, engage with the community, and gather feedback.

La Autoridad Regional de Movilidad del Condado de Webb y la Ciudad de Laredo (WC-CL RMA, por sus siglas en inglés) en cooperación con el Departamento de Transporte de Texas (TxDOT, por sus siglas en inglés) los invita a una reunión pública virtual sobre el proyecto propuesto con una opción presencial. El propósito de esta reunión pública es presentar el diseño del proyecto propuesto, interactuar con la comunidad y recopilar comentarios.

Vallecillo Rd. from FM 1472 (Mines Road) to the IH 35 South Bound Frontage Road (SBFR)

CSJ: 0922-33-205

Camino Vallecillo desde FM 1472 (Mines Road) hasta la carretera de servicio sur de IH 35 (SBFR, por sus siglas en inglés)

Construction of the Vallecillo Road Project is proposed from FM 1472 (Mines Road) to the IH 35 South Bound Frontage Road (SBFR) within the City of Laredo city limits in Webb County, Texas.

Se propone construir el proyecto de la carretera Vallecillo desde FM 1472 (Mines Road) hasta la carretera de servicio sur de IH 35 (SBFR, por sus siglas en inglés) dentro de los límites de la ciudad de Laredo, en el condado de Webb, Texas.

In-Person Option: Thursday, September 26, 2024

5:00 – 7:00 p.m.

Opción presencial: Jueves, 26 de septiembre de 2024

Vallecillo Road Project
Virtual Public Meeting with In-person Option
CSJ: 0922-33-205
Reunión virtual pública con opción presencial

In-Person Option:
Thursday, September 26, 2024

Opción presencial:
Jueves, 26 de septiembre de 2024

Barbara Fasken Recreation Center
15201 Cerralvo Drive, Laredo TX, 78045
5:00 – 7:00 p.m.

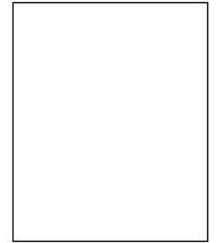

The Vallecillo Road project limits are from FM 1472 (Mines Road) to the IH 35 Southbound Frontage Road (SBFR) within the City of Laredo city limits. The east-west roadway will be located about a mile and a half north of IH 69 West and aligned with A.F. Muller Boulevard, directly connecting FM 1472 (Mines Road) with IH 35. Preliminary schematics have been developed and the plans call for a 150-foot right-of-way, with a total of four (4) travel lanes and a median at approximately 2.85 miles in length. Plans also include sidewalks, and a shared-use path for pedestrians and cyclists.

El proyecto Camino Vallecillo es una nueva vía de este a oeste ubicada aproximadamente una milla y media al norte de IH 69 West y alineada con A.F. Muller Boulevard, conectando directamente a FM 1472 (Mines Road) con IH 35. Los planes requieren un derecho de vía de 150 pies de ancho. El proyecto tendría aproximadamente 2,85 millas de largo y constaría de cuatro (4) carriles de circulación, dos (2) en cada dirección, y tendrá un camellón en el centro. Los planes también incluyen banquetas y un camino de uso compartido para peatones y ciclistas.

Direct Mail postcard, back

The Webb County-City of Laredo Regional Mobility Authority (WC-CL RMA) in cooperation with the Texas Department of Transportation (TxDOT) are proposing to construct the Vallecillo Road project from FM 1472 (Mines Road) to the IH 35 Southbound Frontage Road (SBFR) within the City of Laredo in Webb County, Texas. You have the option to join us in-person or online.

Submittals can be mailed, or hand delivered to Gateway Community Health Center, Inc. 1515 Pappas, Laredo, TX 78041, third floor addressed to Daniel Cabrera, Chief Operating Officer.

Virtual Public Meeting with In-person Option VALLECILLO ROAD

From FM 1472 (Mines Road) to IH 35 Southbound
Frontage Road
CJA 0923.33.205
Webb County, Texas

The Webb County City of Laredo Regional Mobility Authority (WCC-CL RMA) in cooperation with the Texas Department of Transportation (TxDOT) are providing an in-person option for individuals who would like to participate in person instead of online. This in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered to the online public meeting which will be playing on a screen. Review hard copies of project materials, ask questions of WCC-CL RMA consultants and TxDOT staff, and leave written comments. The in-person option will be held on Thursday, September 26, 2024 from 5:00 to 7:00 p.m. at Barbara Parker Recreation Center, located at 15701 Cervante Drive, Laredo, TX 78045.

The Vallecillo Road project is a new location east-west roadway situated about a mile and a half north of IH 35 and aligned with N. M. Valley Boulevard, directly connecting FM 1472 (Mines Road) with IH 35. Plans call for a 150-foot wide right-of-way for a total of 74.46 acres of new right-of-way. The project would be approximately 2.85 miles in length and consist of four (4) travel lanes, two (2) in each direction, and will have a round concrete median in the center. Plans also include sidewalks and a shared-use path for pedestrians and cyclists.

The proposed project would: adjust to final design considerations, require additional right-of-way and potentially displace residences and one (1) commercial structure. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the WCC-CL RMA by calling 956.477.0707. Any environmental documentation, studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 9 a.m. and 5 p.m. at WCC-CL RMA's contract representative, LIA Engineering, located at 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. You may contact Barbara A. Pappas, Project Manager, and other staff at 956.477.0707. Project materials are also available online at www.txdot.gov and www.webbcountytx.gov. These materials will also be available in hard copy for review at the in-person public meeting.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate your needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Blanca J. Lopez, Public Involvement team lead for the WCC-CL RMA at 210.630.6431 no later than 4 p.m. C.T. Friday, September 20, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the WCC-CL RMA to arrange.

El Proyecto Vial Vallecillo es una nueva carretera ubicada aproximadamente una milla y media al norte de la I-35 y alineada con N. M. Valley Boulevard, conectando directamente el camino FM 1472 (Mines Road) con la carretera IH 35. El proyecto requiere un derecho de vía de 150 pies de ancho para un total de 74.46 acres de nuevo derecho de vía. El proyecto tendría aproximadamente 2.85 millas de largo y consistiría de cuatro (4) carriles de circulación, dos (2) en cada dirección, y tendrá una mediana central de concreto. Los planes también incluyen aceras y una pista compartida para peatrones y ciclistas.

El proyecto requerirá: ajustes a las consideraciones de diseño final, requiere derecho de vía adicional y potencialmente desplazará residencias y una (1) estructura comercial. Información sobre servicios y beneficios disponibles para los propietarios afectados y la información sobre el calendario tentativo para la adquisición de derechos de vía y la construcción se pueden obtener de el RMA de WCC-CL llamando al 956.477.0707.

Cualquier documentación o estudios del medio ambiente, los mapas y los dibujos que muestran la ubicación y el diseño del proyecto, el calendario tentativo de construcción y otra información sobre el proyecto estarán archivados y disponibles para su inspección de lunes a viernes entre las 9 a.m. y las 5 p.m. en el edificio de Barbara A. Pappas, representante de contrato de WCC-CL RMA, ubicado en 10410 Medical Loop, Ste. 1A, Laredo, TX 78045. Puede comunicarse con el personal de WCC-CL RMA al 956.477.0707. Los materiales del proyecto también están disponibles en línea en www.txdot.gov o en www.webbcountytx.gov. Estos materiales también estarán disponibles en copia impresa para su revisión en la junta presencial abierta al público.

El Camino Vallecillo tendrá una opción presencial se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse efectivamente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad o necesita asistencia, se pueden hacer arreglos especiales para atender a sus necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiere una adaptación para asistir y participar en la junta presencial o la opción presencial, por favor póngase en contacto con Blanca J. Lopez, representante de relaciones comunitarias de parte del WCC-CL RMA, al número 210.630.6431 a más tardar a las 4:00 p.m. hora central el 20 de septiembre, 2024. Por favor tenga en cuenta que el tiempo para que el RMA de WCC-CL los arreglos.

Aviso Reunión Pública Virtual con Opción Presencial CAMINO VALLECILLO

Desde FM 1472 (Mines Road) hasta la Carretera de acceso en dirección sur de IH 35
CJA 0923.33.205
Condado de Webb, Texas

La Autoridad Regional de Movilidad del condado de Webb-Ciudad de Laredo (RMA de WCC-CL, por sus siglas en inglés) en cooperación con el Departamento de Transporte de Texas (TxDOT, por sus siglas en inglés) está proporcionando una opción presencial para individuos que deseen participar en persona en lugar de en línea. La opción presencial se llevará a cabo en un formato de reunión abierta al público. Los asistentes presenciales podrán ver la misma presentación que se dará en la reunión pública virtual y en una pantalla, podrán revisar copias impresas de los materiales del proyecto, hacer preguntas al personal de RMA de WCC-CL y a los consultores, y dejar comentarios por escrito. La opción presencial tendrá lugar el jueves 26 de septiembre de 2024, de las 5 p.m. a 7 p.m. en el Centro de Recreación Barbara Pappas, ubicado en 15701 Cervante Drive, Laredo, TX 78045.

El Proyecto Camino Vallecillo es una nueva carretera ubicada aproximadamente una milla y media al norte de la I-35 y alineada con N. M. Public comment deadline	All comments must be received on or before Friday, Oct. 11, 2024.
Virtual details	<p>The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, Sept. 26, 2024, at 5:00 p.m. CT.</p> <p>Following the virtual public meeting, the presentation will remain available until at least Friday, Oct. 11, 2024, at 5 p.m. CT. If you do not have internet access, you may call 956-477-0707 between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday, to ask questions and access project materials during the project development process.</p>
In-person details	<p>Thursday, Sept. 26, 2024 5 p.m. to 7 p.m.</p> <p>Barbara Fasken Recreation Center </p> <p>15201 Cerralvo Drive Laredo, TX 78045</p> <p>In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of Webb County–City of Laredo Regional Mobility Authority (WC-CL RMA) consultants and TxDOT staff, and leave written comments.</p>
Purpose	The purpose of the public meeting is to gather public input on the proposed improvements to reconstruct Vallecillo Road from FM 1472 (Mines Road) to the IH 35 Southbound Frontage Road (SBFR) within the City of Laredo city limits in Webb County, Texas. This meeting will also provide the public with an opportunity to view project-related information and provide comments on the proposed improvements. The presentation content will be the same for both the in-person and virtual meetings.
Description	<p>The Vallecillo Road project is a new location east-west roadway situated about a mile and a half north of IH 69 West and aligned with A.F. Muller Boulevard, directly connecting FM 1472 (Mines Road) with IH 35. Plans call for a 150-foot-wide right-of-way for a total of 74.46 acres of new right-of-way. The project would be approximately 2.85 miles in length and consist of four (4) travel lanes, two (2) in each direction, and will have a raised concrete median in the center. The plans also include sidewalks and a shared-use path for pedestrians and cyclists.</p> <p>The proposed project would, subject to final design considerations, require additional right of way and potentially displace no residences and one (1) commercial structure. Information concerning services and benefits available to affected property owners and information</p>

	<p>about the tentative schedule for right-of-way acquisition and construction can be obtained from the WC-CL RMA by calling 956-477-0707.</p>
<p>Accessibility</p>	<p>The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the Public Involvement Task Lead for the WC-CL RMA at 210-630-6431 no later than 4 p.m. CT, Friday, Sept. 20, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the WC-CL RMA to arrange.</p> <p><i>El Proyecto Vial Vallecillo reunión virtual publica con opción presencial se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en Proyecto Vial Vallecillo reunión virtual publica con opción presencial, por favor póngase en contacto con el representante de relaciones comunitarias de parte del WC-CL RMA, al número 210-630-6431 a más tardar a las 4:00 p.m. hora central, el 20 de septiembre, 2024. Camino Vallecillo - Presentacion de video pregrabada

Public comment deadline

All comments must be received on or before **Friday, Oct. 11, 2024** on the right

Virtual Details

The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by **Thursday, Sept. 26, 2024**, at 5:00 p.m. CT.

Following the virtual public meeting, the presentation will remain available until at least **Friday, Oct. 11, 2024**, at 5 p.m. CT. If you do not have internet access, you may call **956-477-0707** between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday, to ask questions and access project materials during the project development process.

In-person Details

Thursday, Sept. 26, 2024
5 p.m. to 7 p.m.
Barbara Fasken Recreation Center
15201 Cerralvo Drive
Laredo, TX 78045

In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of Webb County-City of Laredo Regional Mobility Authority (WC-CL RMA) consultants and TxDOT staff, and leave written comments.

Purpose

The purpose of the public meeting is to gather public input on the proposed improvements to reconstruct Vallecillo Road from FM 1472 (Mines Road) to the IH 35 Southbound Frontage Road (SBFR) within the City of Laredo city limits in Webb County, Texas. This meeting will also provide the public with an opportunity to view project-related information and provide comments on the proposed improvements. The presentation content will be the same for both the in-person and virtual meetings.

Description

The Vallecillo Road project is a new location east-west roadway situated about a mile and a half north of IH 69 West and aligned with A.F. Muller Boulevard, directly connecting FM 1472 (Mines Road) with IH 35. Plans call for a 150-foot-wide right-of-way for a total of 74.46 acres of new right-of-way. The project would be approximately 2.85 miles in length and consist of four (4) travel lanes, two (2) in each direction, and will have a raised concrete median in the center. The plans also include sidewalks and a shared-use path for pedestrians and cyclists.

The proposed project would, subject to final design considerations, require additional right of way and potentially displace no residences and one (1) commercial structure. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the WC-CL RMA by calling [956-477-0707](tel:956-477-0707).

Accessibility

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the Public Involvement Task Lead for the WC-CL RMA at 210-630-6431 no later than 4 p.m. CT, Friday, Sept. 20, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the WC-CL RMA to arrange.

El Proyecto Vial Vallecillo reunión virtual publica con opción presencial se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en Proyecto Vial Vallecillo reunión virtual publica con opción presencial, por favor póngase en contacto con el representante de relaciones comunitarias de parte del WC-CL RMA, al número 210-630-6431 a más tardar a las 4:00 p.m. hora central, el 20 de septiembre, 2024. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que WC-CL RMA los organice.

Vallecillo Road Project Public Meeting Scheduled

Webb County-City of Laredo Regional Mobility Authority Invites Community to Open House Event

Who: The Webb County-City of Laredo Regional Mobility Authority (RMA) in cooperation with the Texas Department of Transportation (TxDOT) Laredo District, and together with their project partners: the City of Laredo; Killam Company; Laredo Webb County Area Metropolitan Planning Organization (MPO); and with U.S. Department of Housing and Urban Development (HUD) Community Project Funds

What: The Public Meeting for the proposed Vallecillo Road Project connecting FM 1472 to Interstate Highway 35, available to the public either virtually or in-person

When: **In-person:** Thursday, September 26, 2024 from 5:00 – 7:00 p.m.
Online: Thursday, September 26, 2024 in the late afternoon through all future phases of the project

Where: *In-person* at the Barbara Fasken Recreation Center located at 15201 Cerralvo Drive, Laredo, TX 78045

OR

Project information is available at any time on two *website options* and just search for the following keywords to view all the same materials available at the in-person event.

- A. www.webblaredorma.org
 - Click the 'Roadway Projects' menu item
 - Select 'Vallecillo Road' from the drop-down menu
- B. www.txdot.gov
 - Search for keyword: 'Vallecillo Road'

Why: The purpose of this public meeting is to engage with the public and stakeholders regarding the proposed project and to receive feedback. It also offers an opportunity for the project team to address any questions or concerns from the public. The RMA, in cooperation with TxDOT, conducts a public meeting as a part of the environmental clearance process. The RMA welcomes feedback on the project and will kickoff a public comment period from September 26 – October 11, 2024.

Community members may submit comments in the following ways:

- Submit a comment at the project webpage through an online comment form. To access the public meeting webpage, visit www.webblaredorma.org

- You may email the Vallecillo Road Project staff at vallecilloroad@lja.com
- You may mail your comments to project staff, addressed to Baltazar Avila, P.E., at the following address: 10410 Medical Loop, Suite 1A, Laredo, Texas, 78045
- You may also fill out and submit a comment form at the in-person public meeting and leave it in a drop box

Why does the community need the Vallecillo Road Project?

To address high traffic volumes of commercial vehicles between the international ports of entry located west of FM 1472 and the developing warehouse districts throughout northwest Laredo. This results in increased congestion and travel times. This high traffic volume reduces mobility for both commercial vehicles and the traveling public and is anticipated to increase in the future.

How will Vallecillo Road Project help the community?

The proposed project's purpose will accommodate this future growth in the regional transportation network by increasing overall capacity. It will reduce congestion and increase mobility & safety by introducing a new roadway connection between two major thoroughfares. The proposed project provides an alternative route between FM 1472 and IH 35 and aims to improve travel times in the area. This connector is expected to reduce traffic on Killam Industrial Boulevard, IH 69W, FM 1472, and FM 3338.

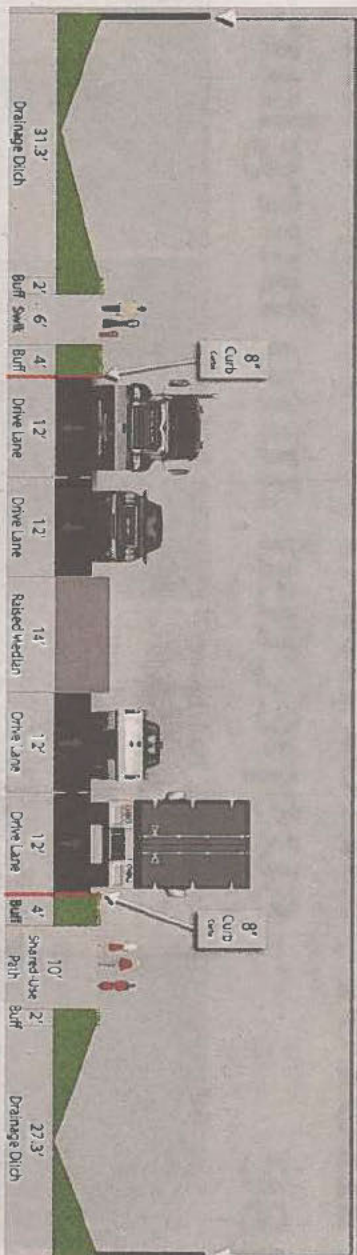

#####

The WC-CL RMA was established in 2014; its mission is to assist the establishment of a comprehensive transportation system to directly benefit the traveling public within Webb County and the City of Laredo through the development of additional transportation alternatives within the region.

By Jason Mack

LAREDO MORNING TIMES

The Webb County-City of Laredo Regional Mobile Authority is hosting a Vallecillo Road Project meeting on Thursday, Sept. 26 that is open for the public for discussion on the upcoming project.

The meeting is available to attend both in-person and virtually. It will run from 5 p.m. to 7 p.m. at the Barbara Fasken Recreation Center located at 15201 Cerralvo Dr. The Vallecillo Road

Project will run from FM 1472 (Mines Road) to the I-35 Southbound Frontage Road. The aim of the project is to directly connect Mines Road to I-35. It will run east to west about a mile and a half north of 1-69 West, and it will be aligned with A.F. Muller Boulevard.

Preliminary plans for the project feature four travel lanes and a median at approximately 2.85 miles in length. There will be a 150-foot right-of-way, and the plans also feature sidewalks and a shared-

use path for cyclists and pedestrians.

The Webb County-City of Laredo Regional Mobile Authority completed a preliminary environmental study and developed a preliminary geometric schematic between 2016 and 2017. Traffic and geotechnical studies were completed in 2020, the design schematic is scheduled for completion by the end of the year, and environmental clearance is expected to be provided by early 2025.

According to the Webb

County-City of Laredo Regional Mobile Authority, the four primary goals of the project are to:

- Improve safety for the traveling public
- Improve mobility and lessen congestion through alternate routes
- Increase economic development and regional tax base
- Provide job growth commensurate with development

For more details on the Vallecillo Road project, visit webblaredo.org/projects/vallecillo.

water treaty while also exploring new water management strategies.

"We must work together as a region to address this ongoing water crisis," Trevino said. "Securing and managing our water resources is essential for the continued growth and sustainability of South Texas communities. The partnership between our cities and the state will be crucial in ensuring that we have the water we need for future generations."

Trevino said having Abbott as a speaker was important because it provided the opportunity to hear his policy goals for the state at large and how South Texas communities fit into the equation.

Abbott highlighted Texas' role as a business-friendly environment and its welcoming of near-

shoring. He also spoke about the contributions of Elon Musk and economic growth with Tesla.

Abbott's fireside chat was moderated by McAllen Mayor Javier Villalobos.

Leaders with the Texas Commission on Environmental Quality, Texas Division of Emergency Management, Texas Transportation Commission and the Texas Water Development Board were also in attendance.

Trevino said this type of meeting gives him the opportunity to speak about Laredo's achievements and request state resources to cover needs and improve the community.

"As for Laredo, I always promote our functional model of success and ask for more state resources so that we can balance our international trade with border security, quality of life and public health," Trevino said.

The poster features a circular logo for the Webb County - City of Laredo Regional Mobility Authority at the top center. The logo is red and blue with a white map of the region. Below the logo, the text "YOU'RE INVITED! ¡ESTÁ INVITADO!" is written in white on a blue background. The main title "Vallecillo Road Project" is in large white letters, followed by "Proyecto Camino Vallecillo" in smaller white letters. At the bottom, the event details are listed in white text on a blue background.

I approve and support TxDOT's/Webb County-City of Laredo Regional Mobility Authority's Vallecillo Road from FM 1472 (Mines Road) to IH 35 Southbound Frontage Road Project. The aspect that I love about TxDOT's/Webb County-City of Laredo Regional Mobility Authority's Vallecillo Road from FM 1472 (Mines Road) to IH 35 Southbound Frontage Road Project is that the new road will improve safety, reduce congestion, and improve freight mobility.

This road is a much needed solution to help alleviate some of the heavy traffic that gets caught between the neighborhoods Northwest of the Loop 20 and Mines Rd. This road would encourage the tractor trailers heading to Mexico or heading towards the highways to use that road for quicker access to their destinations and ease traffic for all of the people that live in this area! I support this much needed project.

Love this idea. We desperately need it! Would love to see that no semi trucks would be able to use it, We are overfilled with trucks everywhere. First responders, emt's, any type of emergency we can't handle because the traffic is stalled at every turn. Make this semi truck free!!!! One or the other. Either this is for semi truck to avoid the mines area roads or push them the same route they have been taking already. Straight mines. We need roads for us not semi trucks anymore!!! Want to thank you for also pushing semi truck traffic to loop 20. It's made such a huge difference

PRESENTATION AND SCRIPT

Vallecillo Road Project Virtual Public Meeting with In-Person Option

Barbara Fasken Recreation Center, 15201 Cerralvo Drive

5:00 – 7:00 p.m. on Thursday, September 26, 2024

CSJ: 0922-33-205

Project Limits: FM 1472 (Mines Road) to IH 35

Length of Project: 2.85 Miles

September 26, 2024

Script:

Hello and welcome to the Public Meeting for the proposed Vallecillo Road Project connecting FM 1472 to Interstate Highway 35. This meeting has been convened by the Webb County - City of Laredo Regional Mobility Authority, known as the RMA, in cooperation with the Texas Department of Transportation, known as TxDOT.

It is being held to provide project information and receive comments from stakeholders.

Safety Message

HELP
#EndTheStreakTX
End the streak of daily deaths on Texas roadways.

TxDOT.gov (Keyword: #EndTheStreakTX)

#EndTheStreakTX Toolkit

September 26, 2024

2

Script:

Before we continue with the content of the public meeting, we would like to take a moment to focus on safety.

November 7, 2000 was the last deathless day on Texas roadways and over 80,000 people have lost their lives since then. That's a streak we want to break. Help TxDOT End the Streak of roadway fatalities by buckling up, driving the speed limit, putting down your phone and never driving under the influence of alcohol or other drugs.

Public Meeting Purpose

Present project status and proposed improvements.

Present project details and potential impacts.

Provide an opportunity for public input.

Develop a record of public participation.

September 26, 2024

3

Script:

The purpose of this public meeting is to engage with the public and stakeholders regarding the proposed project and to receive feedback. It also offers an opportunity for the project team to address any questions or concerns from the public.

For the benefit of those who have never participated before, we will explain why the RMA and TXDOT conducts a public meeting.

The public meeting purpose consists of the following:

1. Present project status and proposed improvements based on studies performed to date.
2. Present project details and potential impacts.
3. Provide the public an opportunity to see information and provide feedback.
4. And finally, to develop a record of public views and participation to accompany recommendations for subsequent decisions.

This public meeting is being held in compliance with both federal and state laws.

Following this meeting, the RMA will proceed with the preparation of the final environmental documentation. Your statements and comments will be addressed in this document.

Script:

The proposed Vallecillo Road project is a new location roadway that runs east to west, situated about a mile and a half north of Interstate Highway 69 West and aligned with A.F. Muller Boulevard at La Bota Ranch. It will connect FM 1472 (Mines Road) with Interstate Highway 35 and is approximately 2.85 miles long, located within the city limits of the City of Laredo.

Project Need

High traffic volumes of commercial vehicles between the international ports of entry located west of FM 1472 and the developing warehouse districts located throughout northwest Laredo have resulted in increased congestion and travel times on FM 1472. This high traffic volume reduces mobility for both commercial vehicles and the traveling public. With the planned commercial and residential developments in the project area, traffic volumes are anticipated to increase in the future.

September 26, 2024

6

The project need:

High traffic volumes of commercial vehicles between the international ports of entry located west of FM 1472 and the developing warehouse districts located throughout northwest Laredo have resulted in increased congestion and travel times on FM 1472. This high traffic volume reduces mobility for both commercial vehicles and the traveling public. With the planned commercial and residential developments in the project area, traffic volumes are anticipated to increase in the future.

Project Purpose

The proposed project will accommodate this future growth in the regional transportation network by increasing overall capacity. It will reduce congestion and increase mobility & safety on FM 1472 and IH 35. Travel times would be significantly improved. This new connection would directly reduce traffic on Killam Industrial Boulevard, IH 69W, FM 1472, and FM 3338.

This new connection would directly reduce traffic on Killam Industrial Boulevard, IH 69W, FM 1472, and FM 3338.

Existing Conditions

- The project area is on the north-western portion of Laredo on rolling, undeveloped ranch land.
- South of the project area there is significant development, including a mix of residential and industrial properties.
- Significant traffic generators in the project vicinity include FM 1472 (Mines Road), A.F Muller Boulevard, Killam Industrial Boulevard, IH 35, IH 69W, FM 3338, World Trade and Colombia Solidarity International Bridges.

- Approximately 2.85 miles long

Script:

This image gives you an idea of what the Vallecillo Road would look like once constructed. It is designed to be a four-lane facility divided by a concrete raised center median. It has two twelve-foot travel lanes in each direction. Design plans include a four-foot-wide shoulder and a drainage ditch on either side. One side includes a sidewalk, and the other side of the road includes a shared-use path intended for pedestrians and cyclists.

Project Cost and Schedule

Open for bids:

Early 2027

Estimated Total Project Cost:

\$49,989,762

September 26, 2024

11

Script:

The Vallecillo Road project is anticipated to be "Open for Bids" by the early part of 2027 and would take approximately one and a half to two years to construct. The project sponsor notifies the construction community that a project is ready to be bid on by publicly advertising for offers from interested and qualified construction contractors.

Construction award of a project typically occurs in three months. Construction on a project begins after the letting and bid process is complete. The total estimated cost for the project is near \$50 million dollars. The project is fully funded.

A Public / Private Partnership

Webb County-City of Laredo Regional Mobility Authority	11.8%
*City of Laredo (Construction and Utility) <small>*Funds include \$5M dollar commitment to road construction & estimated water/sewer utility cost.</small>	16.5%

****Vallecillo Funding Partnership <small>**** Partnership funds include \$1,633,133 for Local Match of Category 7 & Category 10 Funding.</small>	100%

September 26, 2024

12

Script:

The funding for the project is made possible through a public-private partnership. Various entities joined the RMA to bring the project to full funding including the:

- City of Laredo
- Killam Company
- U.S. Department of Housing and Urban Development (HUD) Community Project Funds
- And the Laredo Webb County Area Metropolitan Planning Organization (MPO)

On-going coordination between the RMA, TXDOT and the project partners will continue through the design, environmental review and future phases of the project.

Review and Approval of Environmental Documents

National Environmental Policy Act (NEPA) Assignment to the Texas Department of Transportation

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

September 26, 2024

13

Script:

This project is anticipated to receive federal funds, and because of the federal component, the RMA is required to assess the potential environmental effects of the proposed project in accordance with Federal standards. The process that is followed is called the National Environmental Policy Act process, otherwise known as NEPA, and is overseen by the Texas Department of Transportation (TxDOT) in Texas.

The NEPA process provides analyses of the potential impacts to the natural and manmade environment and helps the decision maker to make an informed decision on whether or not to proceed with the project. Under the 2019 Memorandum of Understanding with FHWA, TxDOT assumed NEPA responsibility and serves as the lead federal agency for certain assigned projects.

This review and approval process applies to this project. Environmental studies are being conducted for the proposed Vallecillo Road Project and will be available for review once completed and approved by TxDOT.

Right of Way

- Approximately 74.46 acres of new right-of way is proposed for the project.
- There are no residential displacements.
- There is one (1) non-residential structure displacement.

All right-of-way acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

September 26, 2024

14

Script:

There will be land acquisition for the right-of-way or ROW used to construct the proposed Vallecillo Road Project.

The following are the significant findings regarding the ROW:

- Approximately 74.46 acres of new right-of way is proposed for the project.
- There are no residential displacements.
- There is one (1) expected non-residential structure displacement.

All right-of-way acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

Script:

We want to highlight the estimated project timeline and the current project status. Look for the red “We are here” arrow at the top of your screen. This public meeting is held as a part of the Environmental review process and is the kickoff to a public comment period. After the comment period closes, the project team will review the comments received and prepare official public meeting documentation.

Public meeting documentation will be posted to the project meeting web page when complete. The next steps include receiving an environmental decision, detailed design activities and finalizing the acquisition of land for the right of way. Construction is anticipated to begin in mid 2027 and would take approximately one and a half to two years to complete.

CSJ: 0922-33-205

Limites de Proyecto: FM 1472 (Mines Road) hasta IH 35

Millas de Largo: 2.85 Millas

26 de septiembre de 2024

Guión:

Hola y bienvenidos a la Reunión Pública para el Proyecto Camino Vallecillo propuesto que conecta la carretera rural 1472, conocida como FM 1472 por sus siglas en ingles, con la carretera Interestatal 35, conocida como IH 35 por sus siglas en ingles . Esta reunión ha sido convocada por la Autoridad Regional de Movilidad del Condado de Webb - Ciudad de Laredo, conocida como RMA por sus siglas en inglés , en cooperación con el Departamento de Transporte de Texas, conocido como TxDOT por sus siglas en inglés.

Se lleva a cabo para proporcionar información sobre el proyecto y recibir comentarios de los miembros de la comunidad interesadas.

Mensaje de Seguridad

AYÚDANOS
#EndTheStreakTX
A terminar la racha de muertes diarias en las carreteras de Texas.

TxDOT.gov (Palabras Clave: #EndTheStreakTX)

#EndTheStreakTX Toolkit

26 de septiembre de 2024

2

Guión:

Antes de continuar con el contenido de la reunión pública, nos gustaría tomarnos un momento para centrarnos en la seguridad.

El 7 de noviembre de 2000 fue el último día sin muerte en las carreteras de Texas y más de 80,000 personas han perdido la vida desde entonces. Esa es una racha que queremos romper. Ayude a TxDOT a poner fin a la racha de muertes en las carreteras abrochándose el cinturón, manejando el límite de velocidad, dejando su teléfono y nunca conduciendo bajo la influencia del alcohol u otras drogas.

Proyecto Camino Vallecillo Reunión pública virtual con opción presencial

PRESENTACIÓN Y GUIÓN

Propósito de la Reunión Pública

Presentar el estado del proyecto y las mejoras propuestas.

Presentar los detalles del proyecto y los posibles impactos.

Proporcionar una oportunidad para la opinión pública.

Desarrollar un registro de participación pública.

26 de septiembre de 2024

3

Guión:

El propósito de esta reunión pública es interactuar con las partes interesadas con respecto al proyecto propuesto y recibir comentarios. También ofrece una oportunidad para que el equipo del proyecto aborde cualquier pregunta o inquietud del público.

Para beneficio de aquellos que nunca han participado antes, explicaremos por qué RMA y TxDOT llevan a cabo una reunión pública.

El siguiente propósito de la reunión pública consiste en:

1. Estado actual del proyecto y mejoras propuestas con base en estudios realizados hasta la fecha.
2. Presentar los detalles del proyecto y los posibles impactos.
3. Proporcionar al público la oportunidad de ver información y proporcionar comentarios.
4. Y, por último, elaborar un registro de las opiniones y la participación del público que acompañe a las recomendaciones para las decisiones posteriores.

Esta reunión pública se lleva a cabo de conformidad con las leyes federales y estatales.

Después de esta reunión, el RMA procederá con la preparación de la documentación ambiental final. Sus declaraciones y comentarios serán abordados en este documento.

El esquema de diseño y los materiales del proyecto se pueden ver en www.webblaredorma.org. Una vez en el sitio web de RMA, haga clic en el elemento de menú 'Proyectos de carreteras' y seleccione 'Vallecillo Road' en el menú desplegable. O puede escanear el código QR en la pantalla para ir directamente al sitio.

La misma información se publica en www.txdot.gov y se puede encontrar buscando la palabra clave "Vallecillo Road".

Además, el esquema de diseño y otra información para el Proyecto de la Carretera Vallecillo están disponibles para su inspección y reproducción en la oficina del representante del contrato de RMA, LJA Engineering, ubicada en 10410 Medical Loop, Ste. 1A, Laredo, TX 78045.

PRESENTACIÓN Y GUION

Necesidad del Proyecto

Los altos volúmenes de tráfico de vehículos comerciales entre los puertos de entrada internacionales ubicados al oeste de FM 1472 y los distritos de almacenes en desarrollo en todo el noroeste de Laredo dan como resultado un aumento de la congestión vehicular y los tiempos de viaje en FM 1472. Este volumen de tráfico alto reduce la movilidad tanto de los vehículos comerciales como del público viajero. Con los desarrollos comerciales y residenciales planificados en el área del proyecto, se anticipa que los volúmenes de tráfico aumentarán en el futuro.

26 de septiembre de 2024

PRESENTACIÓN Y GUION

Propósito del Proyecto

El proyecto propuesto permitirá dar cabida a este crecimiento futuro de la red de transporte regional aumentando la capacidad general. Reducirá la congestión y aumentará la movilidad y la seguridad mediante en FM 1472 y IH 35. Los tiempos de viaje se verían significativamente mejorados. Esta nueva conexión vial reduciría directamente el tráfico en Killam Industrial Boulevard, IH 69W, FM 1472 y FM 3338.

Esta nueva conexión vial reduciría directamente el tráfico en Killam Industrial Boulevard, IH 69W, FM 1472 y FM 3338.

Condiciones existentes

- El área del proyecto se encuentra en la parte noroeste de Laredo, sobre terrenos irregulares y sin urbanización.
- Al sur del área del proyecto hay un desarrollo significativo, que incluye una combinación de propiedades residenciales e industriales.
- Los generadores de tráfico importantes en las cercanías del proyecto incluyen FM 1472 (Mines Road), A.F Muller Boulevard, Killam Industrial Boulevard, IH 35, IH 69W, FM 3338, y los puentes internacionales de Comercio Mundial y Colombia Solidaridad.

Licitación de la Obra de Construcción :

Principios de 2027

Estimado Costo Total del Proyecto:

\$49,989,762

26 de ~~septiembre~~ de 2024

11

Guión:

Se prevé que el proyecto de Vallecillo Road esté listo para licitación de la obra de construcción a principio del año 2027 y tardaría aproximadamente entre un año y medio a dos años en construirse. La licitación de la obra de construcción es cuando el patrocinador del proyecto notifica a la comunidad de la construcción que un proyecto está listo para ser licitado mediante la publicidad de las ofertas.

La adjudicación de construcción de un proyecto tarda aproximadamente tres meses. La construcción de un proyecto comienza después de que se completa el proceso de licitación y adjudicación. El costo total estimado del proyecto es cercano a los 50 millones de dólares. El proyecto está totalmente financiado a esa cantidad.

26 de septiembre de 2024

12

Guión:

La financiación del proyecto es posible gracias a una asociación público-privada. Varias entidades se unieron a la RMA para llevar el proyecto a la financiación completa, entre ellas:

- Ciudad de Laredo
- Killam Company
- Fondos de Proyectos Comunitarios del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD, por sus siglas en inglés)
- Y la Organización de Planificación Metropolitana del Área del Condado de Laredo Webb (MPO por sus siglas en inglés)

La coordinación continua entre la RMA, TXDOT y los socios del proyecto continuará durante el diseño, la revisión ambiental y las fases futuras del proyecto.

Revisión y Aprobación del Documento Ambiental

Asignación de la Ley de Política Ambiental Nacional (NEPA por sus siglas en inglés) al Departamento de Transporte de Texas

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevado a cabo por TxDOT - en virtud de 23 U.S.C. 327 y un Memorando de Entendimiento fechado el 9 de diciembre del 2019, y ejecutado por la FHWA y TxDOT.

26 de septiembre de 2024

13

Guión:

Se anticipa que este proyecto recibirá fondos federales, y debido al componente federal, se requiere que la RMA evalúe los posibles efectos ambientales del proyecto propuesto de acuerdo con los estándares federales. El proceso que se sigue se denomina proceso de la Ley Nacional de Política Ambiental, también conocido como NEPA, y es supervisado por el Departamento de Transporte de Texas (TxDOT) en Texas. El proceso de NEPA proporciona análisis de los impactos potenciales sobre el medio ambiente natural y artificial y ayuda al tomador de decisiones a tomar una decisión informada sobre si continuar o no con el proyecto. Según el Memorando de Entendimiento de 2019 con FHWA, TxDOT asumió la responsabilidad de NEPA y actúa como la agencia federal líder para ciertos proyectos asignados.

Este proceso de revisión y aprobación se aplica a este proyecto.

Se están llevando a cabo estudios ambientales para el proyecto propuesto de la carretera Vallecillo y estarán disponibles para su revisión una vez que se completen y sean aprobados por TxDOT.

Derecho de Vía

- Aproximadamente 74.46 acres de nuevo derecho de vía se propone para el proyecto.
- No habrá desplazamientos residenciales.
- Hay un (1) desplazamiento de estructura no residencial.

Toda la adquisición de derecho de vía se completaría de acuerdo con la Ley Uniforme de Asistencia para la Reubicación y Políticas de Adquisición de Bienes Raíces de 1970, según enmendada.

26 de septiembre de 2024

14

Guión:

Habría adquisición de terrenos para el derecho de vía o ROW utilizado para construir el proyecto propuesto de Vallecillo Road.

A continuación se presentan los hallazgos significativos con respecto al ROW:

- Aproximadamente 74.46 acres de nuevo derecho de vía se propone para el proyecto.
- No habrá desplazamientos residenciales.
- Hay un (1) desplazamiento de estructura no residencial.

Toda la adquisición de derecho de vía se completaría de acuerdo con la Ley Uniforme de Asistencia para la Reubicación y Políticas de Adquisición de Bienes Raíces de 1970, según enmendada.

PROJECT NEED NECESIDAD DEL PROYECTO

Project Need

High traffic volumes of commercial vehicles between the international ports of entry located west of FM 1472 and the developing warehouse districts located throughout northwest Laredo has resulted in increased congestion and travel times on FM 1472. This high traffic volume reduces mobility for both commercial vehicles and the traveling public. With the planned commercial and residential developments in the project area, traffic volumes are anticipated to increase in the future.

Necesidad del Proyecto:

Los altos volúmenes de tráfico de vehículos comerciales entre los puertos de entrada internacionales ubicados al oeste de FM 1472 y los distritos de almacenes en desarrollo en todo el noroeste de Laredo dan como resultado un aumento de la congestión y los tiempos de viaje en FM 1472. Este alto volumen de tráfico reduce la movilidad tanto de los vehículos comerciales como del público viajero. Con los desarrollos comerciales y residenciales planificados en el área del proyecto, se anticipa que los volúmenes de tráfico aumentarán en el futuro.

PROJECT PURPOSE PROPÓSITO DEL PROYECTO

Project Purpose

The proposed project will accommodate this future growth in the regional transportation network by increasing overall capacity. It will reduce congestion and increase mobility & safety on FM 1472 and IH 35. Travel times would be significantly improved. This new connection would directly reduce traffic on Killam Industrial Boulevard, IH 69W, FM 1472, and FM 3338.

Propósito del Proyecto:

El proyecto propuesto permitirá dar cabida a este crecimiento futuro de la red de transporte regional aumentando la capacidad general. Reducirá la congestión y aumentará la movilidad y la seguridad mediante en FM 1472 y IH35. Los tiempos de viaje se verían significativamente mejorados. Esta nueva conexión vial reduciría directamente el tráfico en Killam Industrial Boulevard, IH 69W, FM 1472 y FM 3338.

RIGHT OF WAY DERECHO DE VÍA

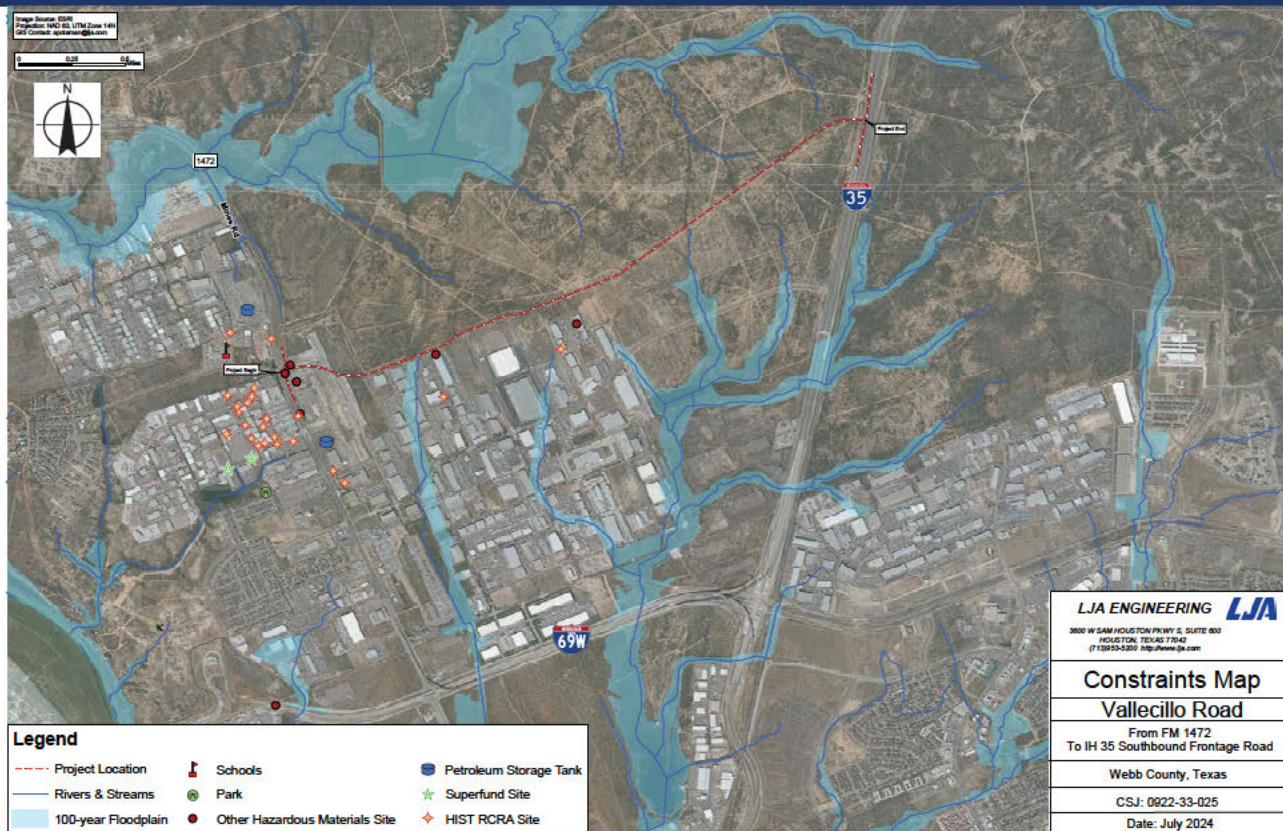

- Approximately 74.46 acres of new right-of-way is proposed for the project.
Se proponen aproximadamente 74.46 acres de nuevos derechos de vía para el proyecto.
- There are no residential displacements.
No hay desplazamientos residenciales.
- There is one (1) non-residential structure displacement.
Hay un (1) desplazamiento de estructura no residencial.
- All right-of-way acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.
Todas las adquisiciones de derechos de vía se completarían de conformidad con la Ley de Políticas Uniformes de Asistencia para la Reubicación y Adquisición de Bienes Raíces de 1970, con sus modificaciones.
